Vicky Howard

Vicky's ability to create, format, and to modify her borders, colors and copy, to meet product specs, is fantastic! Her extensive portfolio includes costal, floral, kitchen, birthday, and holiday art and are used on products selling in many of the mass market chains and specialty stores.

The Morehead Collection

The adorable artworks in the Morehead Collection are embraced by millions of consumers world wide! Products include back-to-school supplies, bank checks, calendars, cards, gift bags, t-shirt transfers and craft kits.

Designs by Current

There are over 40,000 Current designs that can enhance every product line and attract consumers from all demographic profiles. It is free to view the designs at www.designsbycurrent.com; they are organized by occasion, subject, style, theme and products.
